
DOUG BODEY, *Director of High School Programs* ~

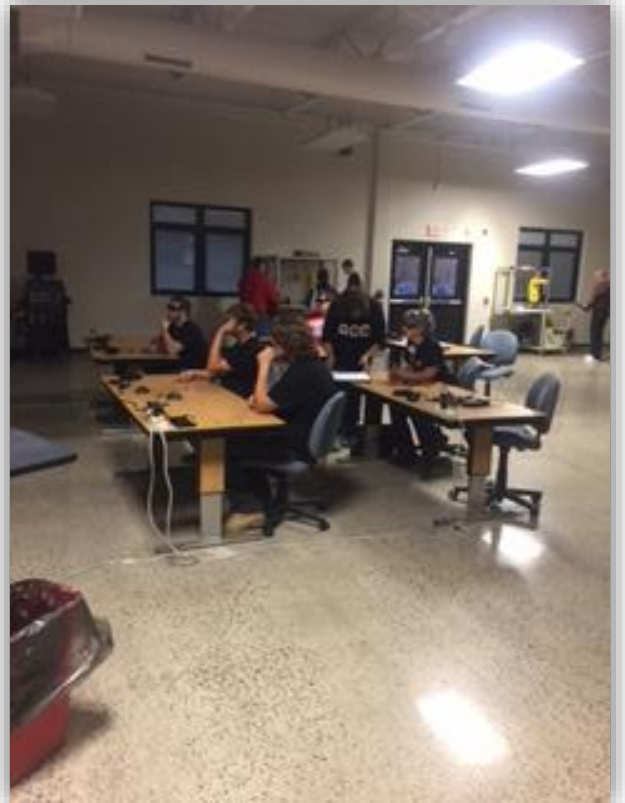

The carpentry students are putting up the trusses at the Apollo house.

DEMOS

Building Renovations is working on the drains in the Adult Education building (the old Auto Technology/Auto Collision Building).

Cosmetology is working on nail prep.

RICK TURNER, *Director of Adult Education Programs* ~

Public Safety Manager, Lt. Doug Corwin was honored as the 2016 Firefighter of the Year by the Lima Noon Sertoma Club. He has served as a firefighter and medic for more than a decade, a fire and EMS instructor for the past eight years and was promoted to public safety manager at Apollo in January. Doug has been an Advanced Cardiac Life Support and Pediatric Advanced Life Support instructor at Lima Memorial Health System and St. Rita's Medical Center, serves as an arson investigator when needed, and is a CPR instructor.

Students learn IT Fundamentals. These students are part of our first daytime class in the new Network Systems lab.

STNA students practice patient care in the lab.

Medical Assisting students learn the importance of taking a patient's medical history from program Manager Tara Shepherd. The students now have the benefit of learning in an actual office environment which was an integral part of Adult Education's renovation.

The Diversified Industrial Training Advisory Committee tours the labs to assess equipment.

ABLE/GED Advisory Committee members meet to review the program.

High school students flocked to the Virtual Welder at Apollo's booth at MakerFest.

DIT spent the day at Ford talking with retirees about continuing their educational opportunities at Apollo.

BRUCE JOHNSON, *High School Instructional Supervisor* ~

Chef Nick Ebbing is demonstrating how to fillet a 14 pound salmon.

The Garden Café on their first day open.

Exercise Science at Ohio
University.

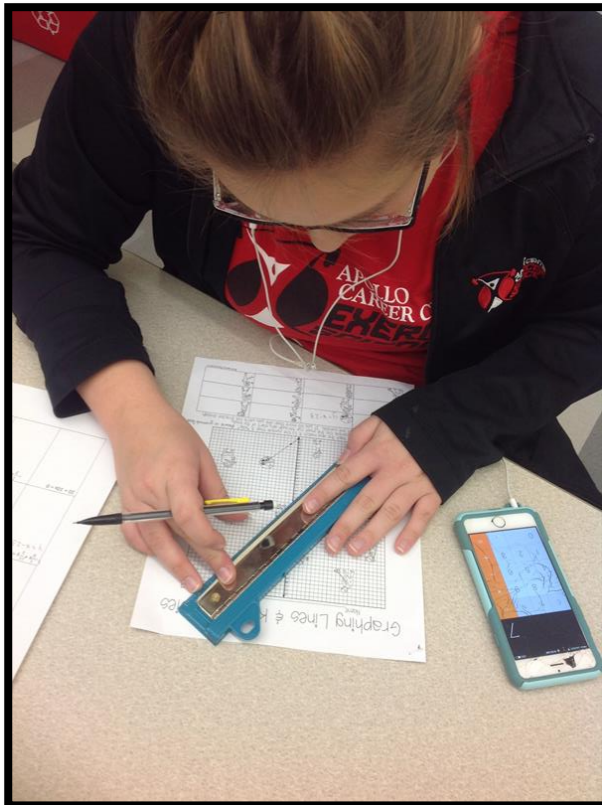

PAM DOWNING, *High School Instructional Supervisor* ~

Academics:

Integrated 3: Mrs. Carver, Mrs. Dickey and Mrs. Holbrook have collaborated on another lesson. The title of this lesson is “Killing Zombies with Linear Equations.”

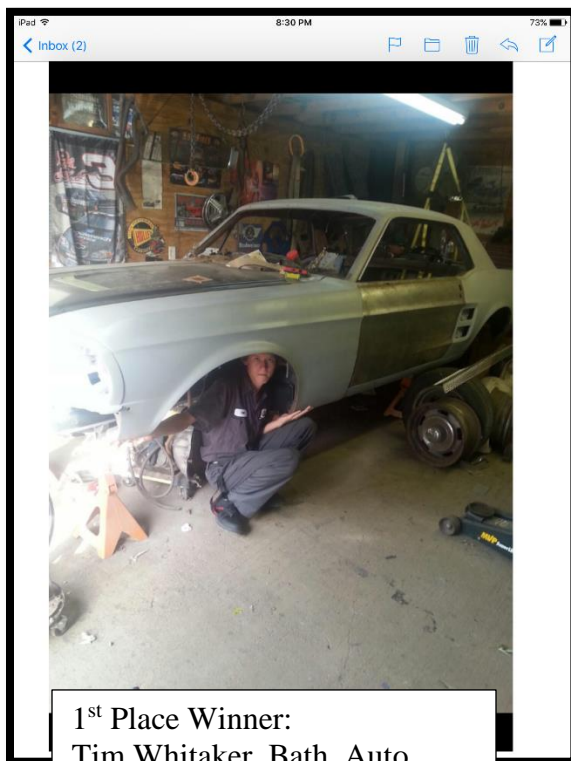

Alyssa Miller, 12, FLD,
Perry

Ashley Hall, 12, SES,
Shawnee

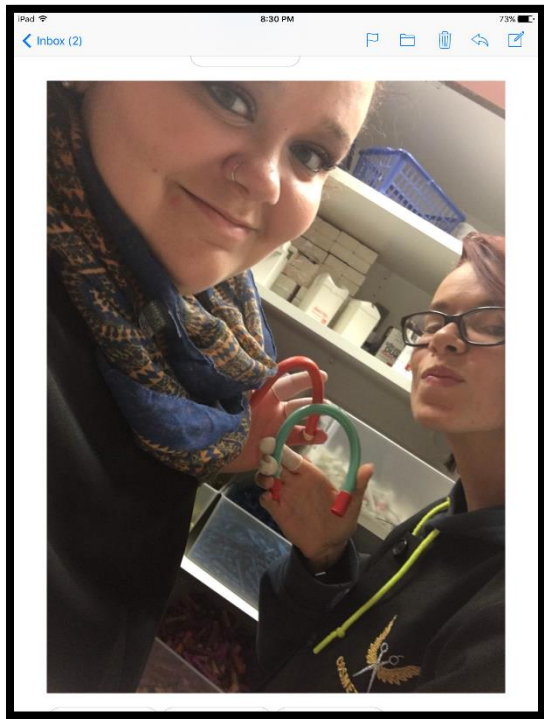

Mrs. Carver, Algebra 2: The Parabola exercise was an out of class assignment where students had to find parabolas either at home or in their labs. Students are learning the parts of a parabola and how to find the different parts, and it is good for students to see how these things can be found outside of the classroom.

1st Place Winner:
Tim Whitaker, Bath, Auto
Tech 1

2nd Place Winner:
Colton Pierce, Shawnee,
WLD 1

3rd Place Winner:

Wapakoneta, COS 2
Back: Vanessa Baughman,
Wapakoneta, COS 2

Science, Carolyn Stein:

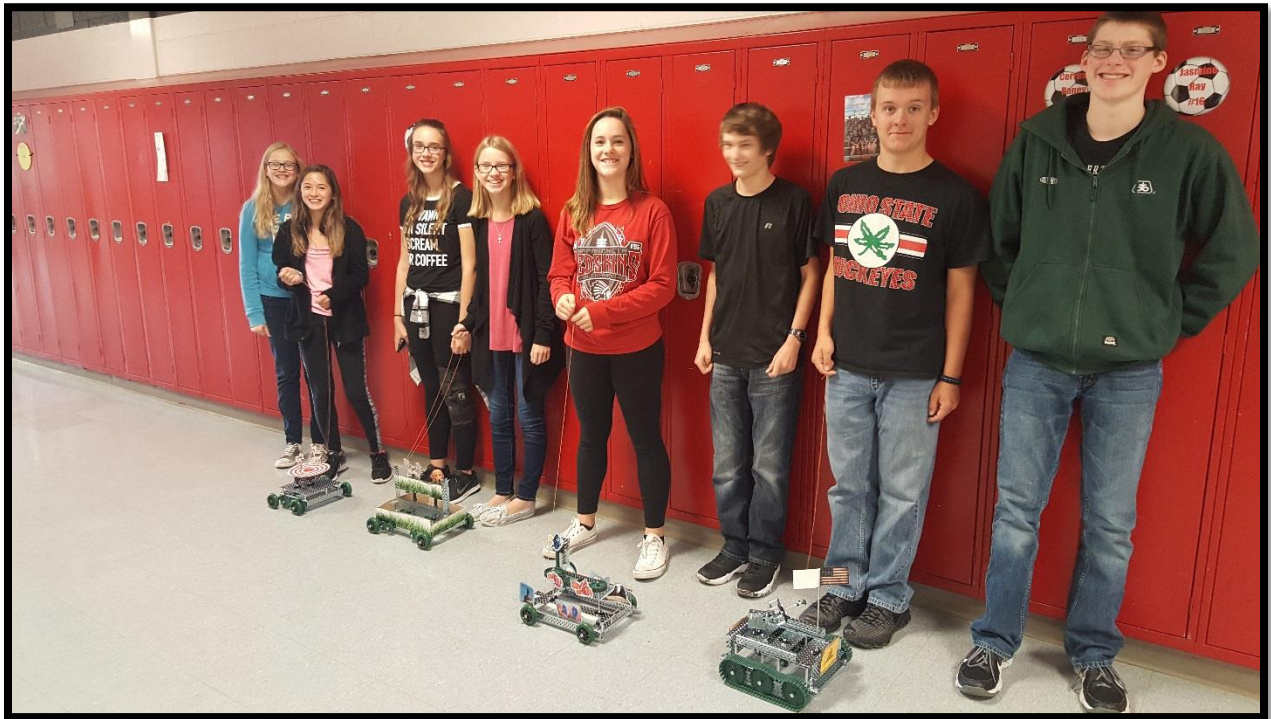

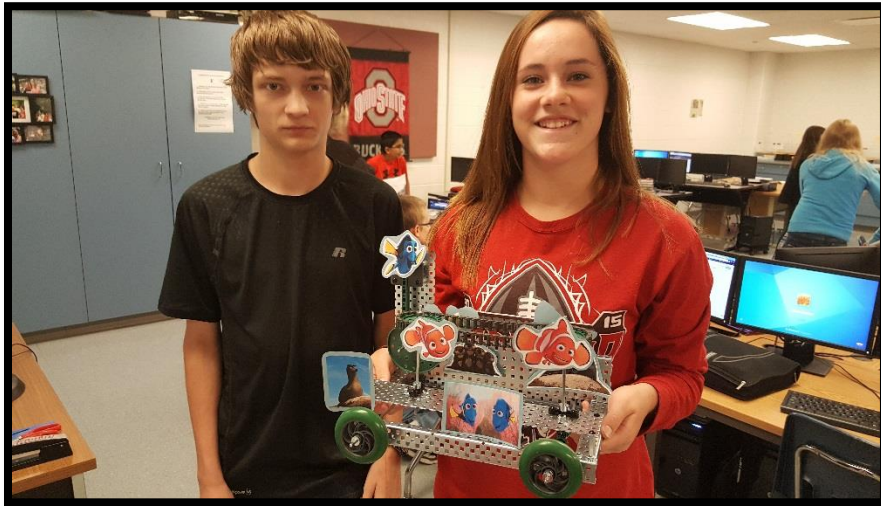

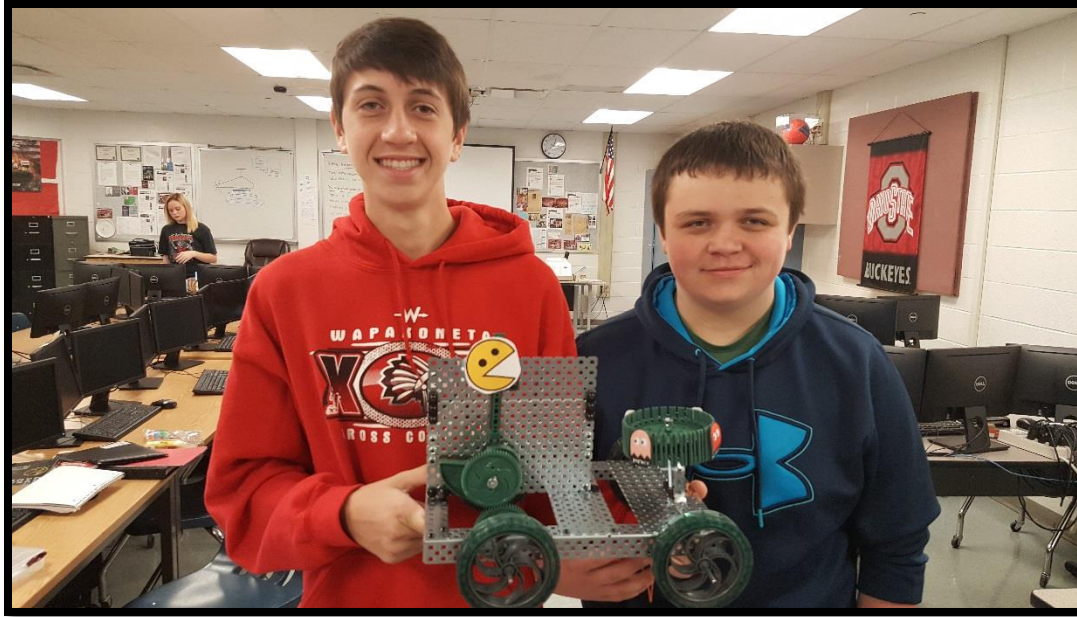

In the picture is Lucas Ward (CIS2)
showing the Alum crystal he grew. Lucas
is from Wapakoneta.

Satellite Teachers:

Keith Rambin, Wapakoneta, CAD/Robotics:

The objective of the project was to design a pull toy (using only vex material) with multiple mechanisms that would result in various movements as the toy was pulled. Complete success and the students loved it!!

Media Center:

Lila Whyman, Librarian:

Student Council:

Apollo Student Council participated in the Halloween Parade on October 20. The Student Council Float received 1st place in the youth group division of the parade.

JAMIE BUELL, *High School Instructional Supervisor* ~

The Print & Graphics' students got experience creating a banner for a customer for the Halloween Parade.

Preston Stevens, Computer Information Support 2, Elida senior, enjoyed checking out the GROB display at MakerFest after his competition.

Students participated in a team building exercise during the field trip to OSU Lima Campus. They had to create a pretend product with Legos.

Students presented their pretend Lego product to OSU Lima staff on their field trip in order to convince them that their group had the best product to buy.

OSU Lima staff served pizza and drinks for lunch to all 60 students that went on the field trip.

All 60 students were completing an activity put on by OSU Lima staff to stress the importance of communication. They had to get in order from youngest to oldest by birthdate without talking. Even though they could not talk, the students did very well with the activity, and thought of other ways to communicate!

Dana Dukes-Norton, *District Communications ~*

Recruitment materials for the 2017-18 school year are in print. Guidance will be using these materials in the associate schools before, during, and after sophomore orientations which will begin November 15. Printed materials include the Cluster brochure, which is a listing of all the programs, copy, and several photos. Two years ago we also started including the application in the brochure as a perforated fold-out. Posters are also distributed to each associate school featuring one of their students, as well as 411Blast applications.

Veterans' Day, Friday, November 11 at 1:30, will be the dedication of the Memorial Garden. Graduates and fallen soldiers, Jon Michael Schoolcraft and Christian Neff will be honored, as well as the veterans on staff. Parents and family members will be presented with the plaques from the first Memorial Garden. Representatives from the American Legion Post #96 will raise the flag and Culinary Arts' students will sing the Star Spangled Banner. It will be an all school assembly. Following the ceremony there will be a small reception in the Garden Café for the families and veterans. If you would like to attend the dedication, please let Judy know so that I can include you in the numbers for the refreshments following the ceremony.

A few projects are near completion. Interviews and additional footage will be shot to complete the recruitment video. The IChoose News will be in the home before Thanksgiving. The banner pre-roll of the partner spots will begin for the digital campaign, digital ads for the craft show, enrollment, and 411Blast will begin the first of November.
